

Q3 Planning Memo

From: Operations

To: All team

leads Date: July

21, 2026

Planning for the third quarter begins next week. Each team should prepare a one-page summary covering capacity, dependencies, and the two highest leverage initiatives on their roadmap.

Please note the following deadlines:

- August 3 — draft summaries due to operations.
- August 7 — cross-team dependency review.

August 12 — final plans locked.

- Questions should go to the planning channel rather than direct messages so answers are shared.
