				Subtotal	43,518.00
				Contingency applied	-6,568.00
				Total due	36,950.00

Notes

Members should note that the figures below are drawn from the automatic passenger counters, which under-report boardings at the two rear doors by a margin the vendor states as three per cent. No adjustment has been applied; the raw counts are reported so that later revisions remain traceable to their source.

Payment terms are thirty days from the date of this statement. Queries should quote the account number above.
